***We are appealing to all local businesses to sponsor our Girls Softball League
during the upcoming 2017 Season. We need your support!***

Over the past few years our program has grown in size to over 300 players, ages 4 – 18. Our program is a volunteer based organization that strives to teach our girls the skills needed to succeed on and off the field. Our program is designed to stimulate young minds, encourage healthy lifestyles and promote a life-long love of athletics.

As with any recreational program, there are significant operating costs; most notably modern and safe equipment, uniforms, umpire fees and insurance. The registration fees cover only a small portion of the costs necessary to operate the program. Our program is responsible for maintaining the fields, dugouts and parking area.

Our league is an independent organization that does not receive any school district or township funding but relies solely on our registration and fund raising activities. We have been maintaining this program and positively impacting the children of Moon Township and surrounding areas for many years. This year will be one of our biggest fundraising challenges. We want to provide a safe and fun environment at our fields and in our parking area, so we are trying to secure lights and restroom facilities for our softball fields.

Please consider being a sponsor for the 2017 season. Your donation of \$250.00 or more will allow your business to be recognized and linked on our website for one calendar year, listed in our newsletter and we will also provide recognition of your business at the field during our softball season. These advertising methods will reach hundreds of families and friends within our community and visiting teams' communities.

We would like to thank you in advance for your support and invite you to join us at the field for any of our home games. If you have any questions or concerns, please do not hesitate to e-mail us for additional information about our organization.

Sincerely,

Moon Township Girl's Softball League

Board of Directors
